O texto

I.

Stabat Mater dolorosa iuxta crucem lacrimosa
dum pendebat Filius.

Cujus animam gementem contristatam et
dolentem pertransivit gladius.

O quam tristis et afflita fuit illa benedicta
Mater Unigeniti.

Quae moerebat et dolebat et tremebat cum
videbat nati poenas inclyti.

Eia Mater, fons amoris, me sentire vim doloris
fac ut tecum lugeam.

Fac ut ardeat cor meum in amando Christum
Deum ut sibi complaceam.

II.

Dolorosa et lacrimabilis es Virgo Maria stans
juxta crucem Domini Jesu Filii tui redemptoris.

Quis est homo qui non fleret Matri Christi si
videret in tanto supplicio?

Dolorosa et lacrimabilis es Virgo Maria stans
juxta crucem Domini Jesu Filii tui redemptoris.

De pé, a mãe dolorosa junto da cruz, lacrimosa,
via o filho que pendia.

Na sua alma agoniada enterrou-se a dura espada
de uma antiga profecia.

Oh! Quão triste e quão aflita entre todas, Mãe
bendita, que só tinha aquele Filho.

Como suspirava e gemia [e tremia] Mãe Piedosa,
ao ver os sofrimentos de seu divino Filho.

Eia, mãe, fonte de amor, faz-me sentir tanto as
dores que eu possa chorar contigo.

Faze arder meu coração do Cristo Deus na paixão
para que o possa agradar.

Triste e digna de piedade és tu, ó Virgem Maria,
de pé junto à Cruz do Redentor, o Senhor Jesus
teu Filho.

Quem não chora vendo isso: contemplando a
Mãe de Cristo num suplício tão enorme?

Triste e digna de piedade és tu, ó Virgem Maria,
de pé junto à Cruz do Redentor, o Senhor Jesus
teu Filho.

Aspectos editoriais

Foram utilizados manuscritos musicais copiados no final do século XIX e início do século XX. São documentos que contêm diversas imperfeições, naturais em cópias manuscritas; por essa razão, fizeram-se as retificações que foram aplicadas à partitura revista. Para isso, foram adotados os seguintes critérios editoriais:

- 1- Aplicaram-se normas e convenções atuais de escrita musical para notação geral, claves, instrumentos transpositores, denominação e disposição de instrumentos e vozes na partitura, bem como para indicações de articulação, dinâmica e agógica.
- 2- Foram realizadas no texto musical as indicações de repetição e dobramentos.
- 3- Ligaduras de expressão e de valor acrescentadas foram pontilhadas.
- 4- Indicações de andamento, expressão, dinâmica e agógica são fiéis aos originais e foram destacadas com tipografia menor quando ausentes na fonte ou acrescentadas.
- 5- Acidentes redundantes e preventivos foram omitidos.
- 6- A ortografia do texto latino segue as normas atuais.

Quis est homo qui non fleret Matri Christi si

Dolorosa et lacrimabilis es Virgo Maria stans
juxta crucem Domini Jesu Filii tui redemptoris.

The grieving Mother stood weeping beside the
cross where her Son was hanging.

Through her weeping soul, compassionate and
grieving, a sword passed.

O how sad and afflicted was that blessed
Mother of the Only-begotten!

Who mourned and grieved and trembled
looking at the torment of her glorious Child.

O Mother, fountain of love, make me feel the
power of sorrow, that I may grieve with you.

Grant that my heart may burn in the love of
Christ my Lord, that I may greatly please Him.

Sad and to be pitied art thou, O Virgin Mary,
standing by the Cross of the Redeemer, the Lord
Jesus thy Son.

Who is the person who would not weep seeing
the Mother of Christ in such agony?

Sad and to be pitied art thou, O Virgin Mary,
standing by the Cross of the Redeemer, the Lord
Jesus thy Son

Editorial aspects

Musical manuscripts copied by the 19th century and in the beginning of the 20th century were used. These are documents containing several imperfections, which are natural in manuscriptal copies. For this reason, the adjustments that were applied to the reviewed score were made. For such, the following editorial criteria were adopted:

- 1- Current norms and conventions of musical writing for general notation, clefs, transpositional instruments, denomination and disposition of instruments and voices within the score, as well as for the indications of articulation, dynamics and agogics were applied.
- 2- The indications of repetition and doubles were made in the musical text.
- 3- Added expression and value slurs were dotted.
- 4- Indications of pace, expression, dynamics and agogics are faithful to the originals and were dotted, when they are absent in the source or were added.
- 5- Redundant and preventive accidents were omitted.
- 6- The spelling of the Latin text follows the current norms.
